## PLASTIC WRAP REMOVAL KIT FOR ROLLER BED FEEDERS

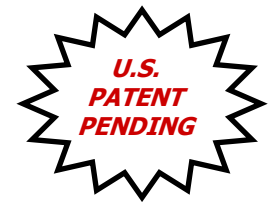

PWRK-108

**"A solution to easily remove plastic wrap trapped beneath round modules!"**

**This kit will be custom designed to fit your roller bed feeder. All we need is a few dimensions.**

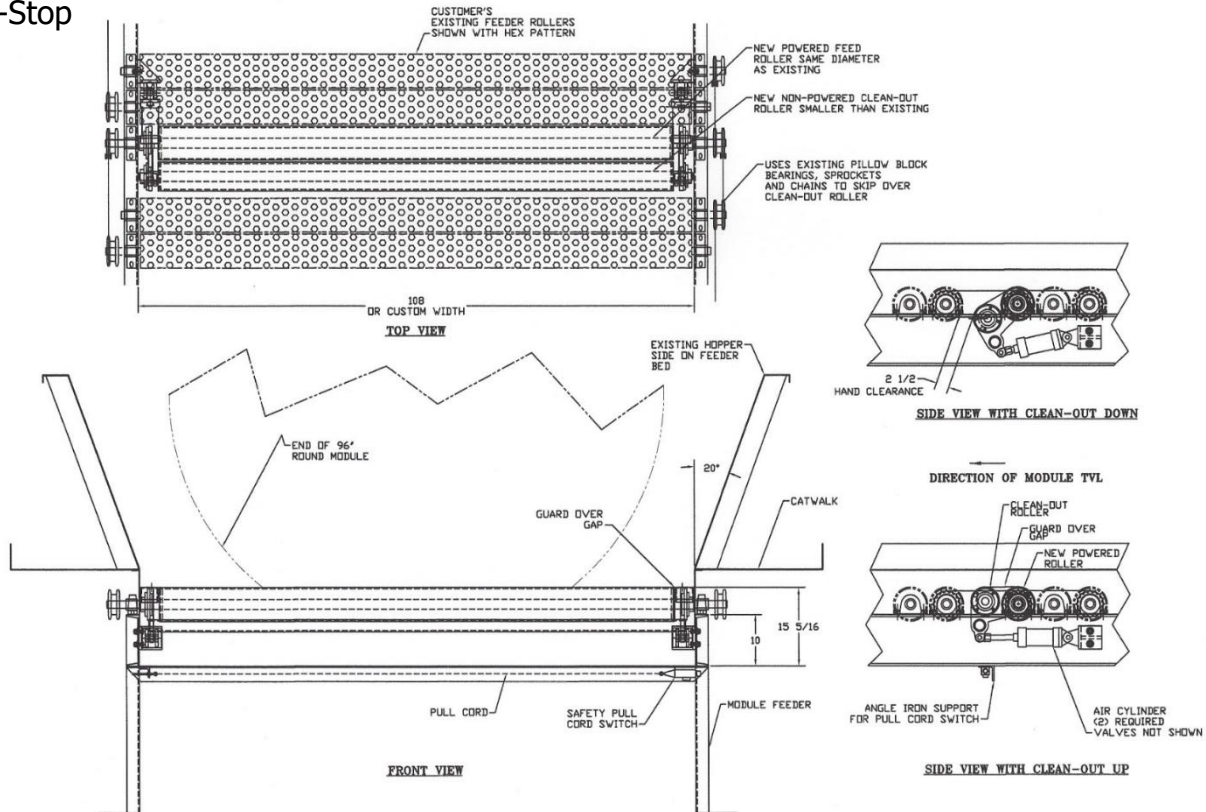

### ADVANTAGES:

1. Helps reduce penalties from plastic wrap contamination
2. Fits most Roller Bed Feeders and easy to install at any location of feeder bed
3. Utilizes existing sprockets, chains, and pillow block bearings, therefore reducing costs
4. Clean-out Roller pivots downward thus allowing room to remove plastic
5. Not restricted to loading style
6. Requires minor modifications to existing feeder bed
7. Simple and Safe

### OPTIONS:

1. Wireless pendant control includes:
  - Forward and reverse travel of feeder bed
  - Up and down positions of clean-out roller
  - E-Stop
